When you buy real estate for an investment, look well to location—the nearer the center of the city the better. We have no hesitancy in recommending the property advertised in the for sale column. It actually pays 10-15 per cent. net. D. A. Perry Real Estate agency, Barre, Vt.

The boy who will sell the most tickets for the poultry show to be held in Hale's Pavilion from Jan. 7 to 10 will receive one pair bearded silver Polish birds, winners of two first prizes last year. Tickets can be had at Sowden & Lyon's store, December 23, and must be returned by noon, Jan. 7.

We do not remember ever offering a piece of real estate which pays 10 per cent. before. We question seriously whether there is another piece of real estate in the city which can be bought so as to pay as large a rate of interest. The property advertised by us in the for sale column will do this and it is well located too. D. A. Perry Real Estate agency, Barre, Vt.

Charles Frohman will present at the opera house on Saturday, Dec. 28, the fantastic play, "Peter Pan," by J. M. Barrie, the author of "The Little Minister." Exceptional in many ways, "Peter Pan" is most exceptional in its irresistible charm for persons of all ages. Criticism is completely disarmed under the spell of this admirable stage creation, and all who see it content themselves by joining in the unanimous judgment, "It is good."

**Badly Used Up.**  
Abraham Brown of Wintergreen, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth blood poison; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed to cure blood poison, weakness and all stomach, liver and kidney complaints, by the Red Cross Pharmacy. 30.

**Fresh Eggs in Winter.**  
The poultryman who can supply fresh eggs in winter, when prices are high, has a tremendous advantage over the one who through ignorance or neglect has to wait till summer, when the supply is large. Not every one can do this, and no one can do it unless he takes proper care of his fowls and gives them food containing the essential egg producing ingredients which, when running at large, they can supply themselves to a large extent in summer. There is no better substitute for winter use than "Page's Perfected Poultry Food." H. E. Hathaway of Farnham, Que., has used it. Read what he says: "I have tried 'Page's Perfected Poultry Food' and think it is the best I have ever seen."

Any one sending his address on a postal card to C. S. Page, Hyde Park, Vt., and mentioning this paper, will receive by mail, free, postpaid, a sample package of "Page's Perfected Poultry Food."
